

HMIS Data Entry Services

A Nutmeg Consulting Service

Nutmeg Consulting's innovative approach to your agency's data entry. Our new service combines easy to use technology with a one on one approach to produce accurate data that meets all of your agency's requirements.

Use Staff Time for Client Interaction, NOT Data Entry

- We evaluate your client intake workflow
- We streamline your processes
- Standardize your paper forms to meet reporting requirements
- Simply fax or scan your newly optimized intake paperwork with and we'll do the rest

Easily Evaluate Program Outcomes and Demographics

- Standardized reporting ensures your Agency meets contractual requirements
- Our new HMIS Dashboard reports are a perfect way to gauge your program's improved data quality and reliability over time

Dedicated Account Manager

- Weekly account meetings
- One on one data completeness and workflow review

Reports Your Program Will Receive

- Daily Bed-list
- Missing Data Reports
- Client Re-evaluation "To-do" List
- Program Based Funder Reports
